

Regional Arts Council Dalby Inc presents

Jazz at Rimfire

FUNDRAISING CONCERT

Supporting the Arts in Small Schools

Enjoy a relaxing day with music by talented jazz band, JBF Jazz Band, at Rimfire Winery: *sample first-class wines, soak up the winter sunshine AND support the arts in small schools in our region.*

Due to funding changes and rising touring costs, some small schools in our region will miss out on the opportunity to have Queensland Arts Council shows visit their individual school. Students will have to travel to bigger centres, such as Dalby, to access these live performances. Regional Arts Council Dalby Inc has taken a proactive step to ensure that children in our region are not disadvantaged by these recent changes - by fundraising to pay for buses to allow children to visit the nearest touring performance at no extra cost. This concert will further raise funds to support this cause.
